Evansville Area Creation Care and All Saints Parish are joining forces with H-IPL...**Hoosier Interfaith Power and Light.** Our mission is to "*call together Hoosiers of faith as stewards of creation in order to promote energy conservation, energy efficiency, renewable energy and related sustainable practices.*" We are concerned about the Earth's changing climate and believe we must act now – both individually and collectively – to reduce our environmental impact and protect the world's poor and powerless. The Society of St. Vincent de Paul

Last month, through your gifts, the Society of St. Vincent de Paul was able to assist 118 families, providing food, assistance with utility, rent and other bills. God Bless You!

Share your Blessings—Open Your Home, and Your Heart, to a Foster Child

As you consider your own blessings, why not give the gift of yourself? Foster parenting not only provides a safe and loving home for a child during a difficult time in his or her life, it also provides an opportunity to get involved with the critical ministry of making our community a better place, one child at a time.

The ultimate goal of foster care in Indiana is permanency - most children will ultimately be reunited with their families, while others will become available for adoption. In either event, foster parents have the unique chance to shelter and mentor a child that may have been abused, neglected, or abandoned.

At the **Foster Parent Information Night**, you can learn about foster parent requirements; training and licensing opportunities; support options; the benefits of fostering a child and the realities of this challenging, yet rewarding work. Most importantly, prospective parents will have access to Villages staff and current foster parents who can answer questions and share their own perspectives and personal experiences with fostering. For more information on the next **Foster Parent Information Night** in your area, call (812) 434-2956 or visit www.villages.org.

Blessings, Sister Kathleen Branham, OSF

A home is not a home because of its room dimensions or the color of the walls. It is about how you feel when you walk through the front door; the way you can instantly envision your life unfolding there. This is about more than real estate. It is about your life and your dreams.
