Hearts & Hands in Ministry

Karen and Delores Schoenbachler

We would like to express our appreciation to Karen and Delores Schoenbachler this week.

In church, there are many brass items that include candlesticks and crosses.

One of the tasks that goes unnoticed is the polishing of those items and making them gleam again.

Karen and Delores have done that work for us and just returned items in time for Easter restored to their original brilliance.

We thank them for their generosity and the beauty they add to our church.

Catholic Parishes Campaign Update

Thank you to the 101 families who made a second pledge to the Catholic Parishes Campaign. Your generosity to the Diocese of Evansville's Catholic Parishes Campaign is greatly appreciated.

As of March 15 you have pledged \$125,012.70 (83%) of our CPC goal. \$97,544.26 (65%) has been paid towards our goal.

Donations Made by the Parish in March

All Saints Parish is a steward of God's gifts. Most "special collections" have been eliminated as we give 5% of our regular collection to the following cause:

Parish Council March Meeting Summary

Parish Pastoral Council met on March 2nd.

Fr. Jay reported that the job description for the Parish Life Coordinator is now in the hands of the bishop for consideration. He also reported that the Welborn Foundation contacted All Saints with interest and questions about the justice piece of our proposed grant. Fr. Jay reported on a meeting with Holy Redeemer's pastor and youth minister. A partnership is being discussed for youth ministry.

Sharon is extending the period for nominations for the Parish Council. Members are encouraged to submit the names of parishioners who would be good council members. Nominees do not learn who submitted names. Further discussion about a possible youth representative on council will be taken up at the April meeting.

The parish recently received additional CPC pledges of \$18,000, raising the pledges to 81% of the goal. It was suggested that the federal Covid relief package may help to bring more donations.

There is no update on a music minister.

The marketing committee is meeting this month to address post-pandemic return to church.

All Saints Women's Group

Our mission is to encourage and unite the women of All Saints Parish to join us in prayer, fellowship and to build a closer relationship with Christ. We meet via Zoom the third Monday of each month at 6:30 pm. Our next meeting is **Monday, April 19th**. Please call the Parish Office if you would like to join us. New members are always welcome!

Save the Date! Starter Plant Giveaway

Plant for those who cannot plant for themselves.
Please come get your starter plants and then bring your harvest back to our Veggie Giveaway days this summer to share with our neighbors who don't normally have access to fresh local produce. Our starter plant giveaway will be on **Saturday, April 24** from 11:00 am—1:00 pm (or until they are all gone) at St. Anthony campus.

Family Faith Formation

"I received from the Lord what I handed on to you."
1 Corinthians 11:23

As I've been sharing, in our Family Faith sessions this year, we have been learning about the covenants God made with God's people...Eve & Adam, Noah, Abraham & Sarah, Jacob...

From John's Gospel today, we hear a parable from Jesus. One more time Jesus is teaching us what it means to be disciples...to live in the new covenant.

"The hour has come for the Son of Man to be glorified. Amen, amen, I say to you, unless a grain of wheat falls to the ground and dies, it remains just a grain of wheat; but if it dies, it produces much fruit. Whoever loves his life loses it, and whoever hates his life in this world will preserve it for eternal life. Whoever serves me must follow me, and where I am, there also will my servant be. The Father will honor whoever serves me."

In these final days of Lent, how are we being called to follow Jesus?

How are we living in God's covenant?

"But this is the covenant that I will make with the house of Israel after those days, says the LORD. I will place my law within them and write it upon their hearts; I will be their God, and they shall be my people."

COMMUNITY IN MADAGASCAR

Poor nutrition can lead to devastating long-term consequences for individuals, communities and entire countries. That's why communities must work together to ensure that all children have access to better food and nutrition. New planting and cooking techniques are helping many communities in Madagascar improve the health and wellbeing of their children. How does your community work together for the good of others? CAJE Good News: City Council Approves Money for Gun Violence Intervention

On March 8th, in a 9-0 vote, Evansville City Council approved the Mayor's allocation of \$100,000 to begin a GVI partnership with the National Network for Safe Communities!

Seating was restricted to just 12 seats for the public - CAJE members filled nine of them, while additional members were out in the hall, listening.

Mayor Winnecke, in a rare appearance, presented the ordinance and Erin Bloom and Louisa Aviles attended via Zoom to add details and answer questions. Three members of our Safe Neighborhoods committee gave prepared testimonies.

Leading up to last night's council meeting, over 100 CAJE members sent emails to the councilors, urging them to approve the Mayor's allocation. We also did media interviews and hounded city officials by tagging them in social media posts - every single time a shooting has occurred since our CPA.

Furthermore, Mayor Winnecke announced that the administration wants to go all in with a \$385,000 investment for a two year partnership with the NNSC and another \$50,000 will go before council to be included in the next finance ordinance!

Here is a link to the local paper's coverage of the council vote:

Questions of the Week

First Reading:

Around 600 BC, Jeremiah prophesied that God would establish a new, unbreakable covenant with his people, one written "upon their hearts."

In what ways is your faith heart-felt?

Second Reading:

The author of Hebrews teaches us that Jesus learned "obedience" from his suffering. What have been some fruits from the suffering in your life?

Gospel:

We hear today of Jesus' own struggle with his impending death. During this Lenten season, what has been a struggle for you?

Live the Liturgy ~ Inspiration for the Week

How do we convince people that God's law is written upon their hearts? God is wedded to God's people. This is a simple and fundamental fact of life. Yet, many ignore this truth and carry on as if they, or humanity as a whole, are the center of the universe. As a grain of wheat has to fall to the ground and die in order to become what it really is, we too must die to our secular images and ideas of ourselves so that we can become who God really made us to be. If all of us kept our focus on God's deep bonded love with human beings, indeed with our very self, then there would be no need to teach others this fundamental life lesson. They would simply know this truth, as Jeremiah tells us. Somehow, perhaps through original and personal sin, we have lost sight of this reality. We have lost our way and our axis. It is time to find our way back, to learn the virtue of obedience, to pay attention to what God is saying and become aware of the Divine Love that is the reason for all creation. Then, even in our darkest hour when all may seem to be lost, we can say as did Jesus, the model of obedience, "Father, glorify your name," By this perseverance, people can come to know the Lord and what God has done.

Justice Challenge ~ 5th Week of Lent

March 22 is World Water Day. The foundation of all Catholic social teaching is respect for the life and dignity of every human person. Fundamental to both life itself and life lived with dignity is access to clean water. Around the world, millions of people—elderly people, children, and all ages in between—suffer because of a scarcity of water.

Your challenge this week is two-fold. First, examine how your family uses water. Do you conserve it as a precious and God-given resource which is *not* unlimited? Pay attention to how much water you waste (e.g., letting water run while you are brushing your teeth instead of just using it to get your toothbrush wet at the beginning and to rinse at the end). Then on Saturday, discuss how you can limit your use of water and commit to it—at least for the rest of the Lenten season. Secondly, decide on one way you can support people in areas of the world which do not have clean water. You might want to research particular programs of Catholic Relief Services which help people dig wells or purify contaminated water. (Go to www.crs.org for details.) Then make a donation on behalf of those denied dignity by helping them receive life-giving water.

MISSION

Look for ways to be helpful in your family. Help set the table. Take the trash out. Put away your toys and books without being asked. When your family notices you being so helpful, tell them you are trying to follow Jesus' example.

GROWING WITH THE GOSPEL

CYCLE B

COLOR

Read the Gospel of the week and color the image.

BECAUSE VIBRANT CHURCHES MATTER

GOSPEL

When you act bossy, selfish, or rude, no one will want to spend time with you. You will be lonely and unhappy. Follow the example of Jesus instead. Be strong in your faith. Do all that God asks you to do, even when it is not easy. Be honest. Be kind. Share what you have been given. Be helpful. Forgive. Show everyone what God is like. When you follow Jesus' example, you won't be lonely. When people around you see that your faith is real, they will come to you for help. They will want to know what makes you different. Then you can point them to Jesus.

PRAYER

God, help me to follow Jesus. I want to show everyone how great you really are.
