Questions of the Week

First Reading:

Today's creation account of man and woman is the foundation of our Judeo-Christian understanding of the covenant of marriage. When a male and a female marry, "the two of them become one body." What do you see as some modern implications in this understanding of marriage?

Second Reading:

The author of Hebrews tells us that we are "brothers" with Jesus in our common experience of suffering and death. In what way do you find comfort in this idea?

Gospel:

Both in public with the Pharisees and later in private with the disciples, Jesus takes a strong stand on the sacred and unbreakable bond of marriage. How do you imagine the Pharisees and the disciples reacted to Jesus' position?

Reminder...

Coming to Mass and wanting to social distance in the pew? St. Joseph and St. Anthony Churches, BOTH, have a reserved section that is roped off for those who are wanting to sit in a socially distanced space.

You will find these sections roped off with blue yarn in both churches. This leaves every other pew empty to allow for social distancing. Once in the pew, please be aware of the distance required between you and the next person/family sitting in the pew.

Soup Makers Needed

We know we have good soup makers in our parish! If you are willing to make homemade soup for the All Saints Sweepstakes, bring your crockpot full of soup to the cafeteria on November 7th by 10:30 am. Please call the Parish Office with questions or to sign-up, (812) 423-5209. *Just in case the pandemic gets worse, we will again have a virtual Sweepstakes drawing. Watch the Bulletin, App, Facebook or call the office for updates.*

Family Faith Formation

"Say the Word and My Soul Shall be Healed."

People reaching for God and God reaching for people.
We can't get there on our own.

In today's readings, we hear about marriage and children.

Whether you are a family of 1, 2 or 7...

What makes a good family? A strong family?

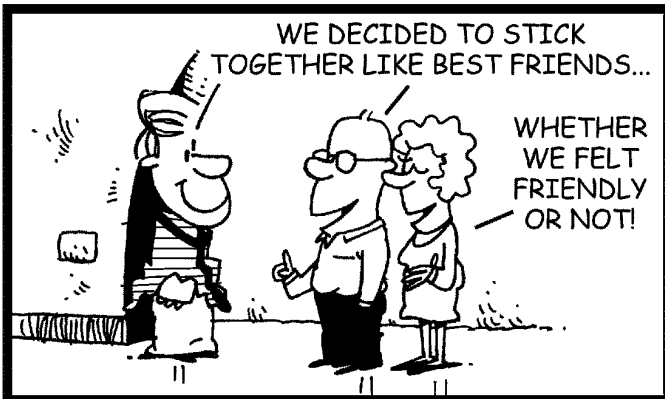

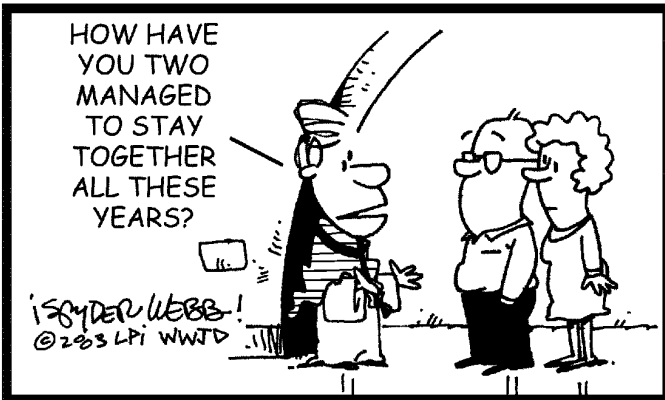

What are the challenges for families today?

How does our faith help strengthen our families?

There is the old saying, "The family that prays together, stays together."

What does family prayer look like in your home?

Community Action – Ending Hunger requires us to organize ourselves for action.

Faith Action – God's grace moves us to help our neighbors.

Hunger Programs – The federal government plays an important role in ending hunger.

Research – What causes hunger? What are the best strategies to end it?

Policy Change – Bread is working on many issues to change legislation and policy.

Justice Challenge

27th Week in Ordinary Time

October 4th is the Feast Day of St. Francis of Assisi. St. Francis is one of our most beloved and familiar saints. One of his greatest passions was care for God's creation—nature, animals, the solar system.

Francis saw God's love reflected in all created things.

Your challenge this week is to choose one part of God's creation which is threatened by human greed, neglect, or abuse. Commit to taking one action to preserve and treasure this God-given resource.

For example, you might choose water and then make a plan for using less water when you shower or brush your teeth. You might choose animals and make a donation or volunteer time at your local animal shelter. Whatever you choose, include a prayer of gratitude to God for this special part of God's creation.

Come to a CAJE House Meeting

The Listening Process has Started for Justice!

We want to know what issues you are concerned about in our community and what keeps you up at night. How has your health, your family or your community been impacted by floods, heat, pollution, mold, hunger, utility bills, storms and other environmental changes.

Amy Devries, CAJE organizer, is having a house meeting on **Sunday, October 10th at 3:00 pm**, building on St. Agnes parishioners who were on Mary Berendes team – an option for those who can't make any of the above house meetings. Amy can be reached at **(812) 319-7974** for location information.

Creation Care News

Birds and pollinators have evolved for millions of years to live in harmony with the

season of autumn. When we stop focusing on "The Perfect Lawn" then the need to manically remove leaves isn't so urgent. Rearrange your yard a bit, shrink the lawn, expand your "wild area" and gently rake your leaves and leave them in your "wild area". Put a little pine straw on top if necessary so they don't blow away. The birds and pollinators will thank you.
