Today is our last Veggie Giveaway for the season.

We have given away a lot of fresh produce to our local neighbors this summer.

We've consistently had good participation and it seems each event matched well produce and the number of participants.

We thank Seton Harvest and our parish organizers, specifically the Marketing Team and Health Ministry Team for this blessing.

Their service and stewardship is commendable.

Family Faith Formation

"Say the Word and My Soul Shall be Healed."

People reaching for God and God reaching for people.
We can't get there on our own.

In today's Gospel, we hear Jesus tell his apostles...

"Rather, whoever wishes to be great among you will be your servant; whoever wishes to be first among you will be the slave of all.

For the Son of Man did not come to be served but to serve and to give his life as a ransom for many."

Serve – when you hear the word "serve" what do you think of?

...a waiter/waitress ...a meal ...in the military
...in tennis ...servant ...to help

How are we called to serve our family, our church, our school, our workplace, our community, our world...

Creation Care News

Bumble bees rely on leaf litter for protection. At the end of summer, mated

queen bumble bees burrow only an inch or two into the earth to hibernate for winter. An extra thick layer of leaves is welcome protection from the elements. There are so many animals that live in leaves: spiders, snails, worms, beetles, millipedes, mites, and more—that support the chipmunks, turtles, birds, and amphibians that rely on these insects for food. It's easy to see how important leaves really are to sustaining the natural web of life.

Justice Challenge

29th Week in Ordinary Time

Saturday is National Make a Difference Day (celebrated the fourth Saturday in October). All of us want to leave our mark on the world in some way. **Your challenge this week** is to choose one action you can take to make a difference in the life of a person who is a victim of injustice in your community. It might be a student victimized by bullying, or a worker who is denied a fair wage. You may see racism alive and well and choose to do something to break that cycle. Whatever you choose, see if you can make a difference so someone experiences more justice than he or she did before.

A Message From CAJE's Lead Organizer: Updates, Urgency, & You!

We are halfway through our annual Listening Process & there have been some amazing & heartbreaking stories shared. The most discussed topics have been...

- Lack of clean, safe, & affordable rental housing
- Deplorable and unhealthy living conditions for those in so-called "affordable" housing: Mold, Pests/Vermin, appliances, furnaces, water heating that don't work or even exist in rental homes
- Worries over high utility bills that are on pace to get even higher
- Folks helping family members pay their utility bills who worry how long they can continue to do so...
- Lack of access to mental health services & concerns about the number of people with a mental health diagnosis currently in our local jails

Unfortunately, there are voices and stories going unheard during our Listening Process. Why is this?

House Meetings/Listening Sessions have been canceled or attendance is low (fewer than 8 people present).

Our Team Captains and Clergy are scheduled to meet on Zoom **Monday, October 18 at 6:15 pm** to recap the Listening Process and narrow down the problems that will be presented for vote at the annual Community Problems Assembly, November 15 (6:30 - 8:00 pm). So, what can YOU do? I am glad you asked!

If you hosted a House Meeting with fewer than 8 people, please talk to your Organizer about hosting another House Meeting in November or January.

If you have not attended a House Meeting/Listening Session or had to cancel yours, there's a "Second Chance" House Meeting: Sunday October 17, 4:30 - 6 pm on Zoom!

The story behind the Green River National Wildlife Refuge:

Tri-State Creation Care will be hosting Mike Morton, one of the leaders behind the establishment of the Green River National Wildlife Refuge, on **Tuesday, October 26 at 6:30 pm**. This refuge will become a vital migratory stopway and provide habitat for a host of other native wildlife. Come and hear his vision and hope for this national natural treasure. This will be a "hybrid" event with the in-person meeting held at All Saints in Evansville, (704 N. 1st Ave) or email tristate.creation.care@gmail.com to receive a Zoom link for on-line participation.
