Synod Listening Session Postponed

Due to ongoing concerns about the Covid-19 pandemic, the Synod Listening Session originally scheduled to take place on February 23 has been postponed. More information and the new date for the Listening Session will be announced in the coming weeks.

Important Announcement Saturday 4 pm Mass Location Change

Please note that the 4 pm Mass location has been changed for the following dates:

Saturday, February 19, 4:00 pm Mass will be at **St. Anthony Church**

Saturday, February 26, 4:00 pm Mass will be at **St. Anthony Church**

Saturday, March 5, 4:00 pm Mass will be back at **St. Joseph Church**

We are happy to announce that new carpet is being installed at St. Joseph Church. The funding from this project comes from our Steward of God's Grace campaign. We thank all who generously gave to this campaign.

Reminder...

Coming to Mass and wanting to social distance in the pew? St. Joseph and St. Anthony Churches, BOTH, have a reserved section that is roped off for those who are wanting to sit in a socially distanced space. You will find these sections roped off with blue yarn in both churches. This leaves every other pew empty to allow for social distancing. Once in the pew, please be aware of the distance required between you and the next person/family sitting in the pew.

Legacy of Giving

You can specify leaving a percentage, say 10% of your retirement accounts, bank accounts, life insurance, annuities, or brokerage accounts to your parish simply by indicating such on your beneficiary form. You don't have to leave the entire amount to the Church.

For the Year to Date Financial Report, visit our website at allsaintsevansville.org. From the Homepage, click on the All Saints Parish tab; then choose "YTD Financial Report".

Hearts & Hands in Ministry

Brenda and Gary Coomes

With Covid, we've had to depend more heavily on fewer folks for ministry help at our Sunday Masses.

Brenda and Gary are some of those special folks at our 5 pm liturgy.

They responded to our desperate need for Eucharistic ministers and have been our primary go-to ministers for that Mass.

They also have been part of our mainstay team for selling SCRIP at that Mass.

We thank Gary and Brenda for their willing and generous spirits.

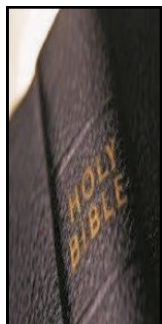

Want to become a Catholic?

If you or someone you know is interested in becoming Catholic, please talk to a member of the staff or call the parish office, (812) 423-5209. For more information on our Rite of Christian Initiation for Adults (RCIA), visit allsaintsevansville.org click on the "Faith Opportunities" tab then scroll down to RCIA Process and RCIA Q&A.

Questions of the Week

First Reading:

Isaiah eagerly volunteered himself to serve the Lord after seeing God's holy presence. How open are you to responding to God's call in your life?

Second Reading:

Paul reminds the Corinthians of the gospel ("good news") tradition he received and taught about Jesus' resurrection appearances. What do you tell others about your faith in Christ?

Gospel:

In Luke's account of the call of the first disciples, he focuses almost exclusively on Peter and his interactions with Jesus. What lessons are we to learn from Luke emphasizing Peter's humility and obedience to Jesus' call?

Family Faith Formation

"Say the Word and My Soul Shall be Healed."

People reaching for God and God reaching for people.
We can't get there on our own.

In the First Reading we hear...

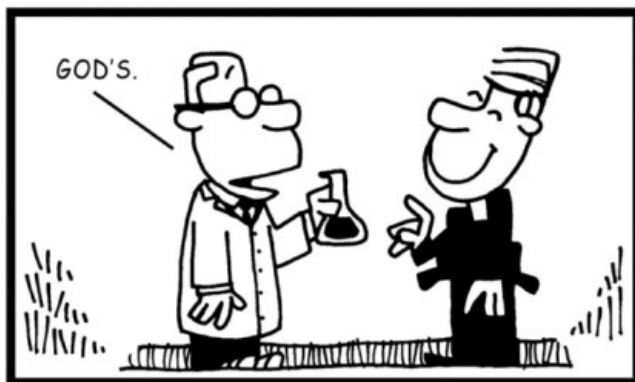

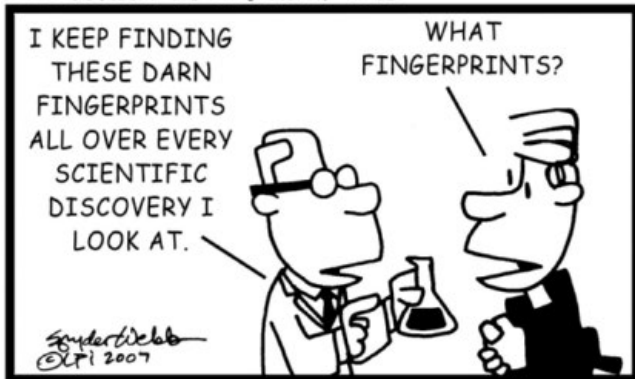

Then I heard the voice of the Lord saying,
"Whom shall I send? Who will go for us?"
"Here I am," I said; "send me!"

...and in the Gospel, we hear...

Jesus said to Simon, "Do not be afraid;
from now on you will be catching men."
When they brought their boats to the shore,
they left everything and followed him.

How do we choose each day to be a disciple...
to follow God?

Justice Challenge

5th Sunday of Ordinary Time

This Sunday’s Gospel has Jesus inviting Peter, James, and John to become fishers of people. God’s Word tells us that they left everything to follow Jesus.

Your challenge this week is to reflect on something which you haven’t been able to leave, something which might stand between you and Jesus. It might be a possession; it might be an activity that consumes a lot of your time. Give it up and replace it with giving time or money to a cause which fights injustice and helps those in need. Have a conversation with Jesus about why and how you want to be closer to him. And listen for his response.

What do you enjoy about Mass at All Saints?

The music? The homilies? The fellowship with friends? Hopefully you answered yes in there somewhere and maybe even yes to all the above! To let your friends and family know the great things we have going on here at All Saints, we are asking you to check in on your social media when you arrive at church. Since you are silencing your phone anyway, a quick check in on your social media might just be the invitation that someone you know needed.

Congregations Acting for Justice & Empowerment (CAJE)

Campaign Issue Updates January 21, 2022

Safe Neighborhoods:

- National Network for Safe Communities (NNSC) has completed and delivered to the Mayor and the EPD the problem analysis for the city of Evansville along with a list of recommendations to help decrease the number of murders and non-fatal shootings occurring. Twenty-one murders in 2021 saw one of the highest death tolls since the late 60s.
- The problem analysis (using 2020 data) showed that 56% of gun violence in the city was caused by .09% of the population.
- The city will create and maintain a Custom Notification Team comprised of law enforcement, community members, and social service providers who will directly communicate to this .09% of the population
1) a community message against violence 2) a credible law enforcement message about consequences for continued violence 3) a credible and genuine offer of help to those who want it.

Evansville Affordable Housing:

- CAJE's steering committee for affordable housing has continued to work on getting clarification about how much the major is going to propose to go into Evansville's Affordable Housing Trust Fund over the next two years. We met with Katie Hines by zoom (who is with a national group that helps communities develop local affordable housing trust funds) on Jan. 6th and found out that the final rules for the use of American Rescue Plan monies were published that day. We forwarded the 4 page introduction to the rules to the mayor the same day and have asked when he is going to let us know. We are going to follow up with a request for a meeting.
- Brenda Meyer has been attending the local HOUSE meetings and participating in the process to identify what the current problems are for our area. Linda Henzman has been attending Evansville Trust Fund meetings to monitor their actions and the use of the money.

Warrick County Affordable Housing:

- CAJE has a unique opportunity with the Warrick County Affordable Housing Campaign. Due to the American Rescue Plan funding, this committee is researching how to create an Affordable Housing Trust Fund as well as the different kinds of Trust Funds.
- The committee had a research visit with Debbie Bennett-Stearman. She is an independent grant writer that the County Commissioners hired to help them with the ARP funding and rules.
- There will be a time that we ask the members of CAJE to come support our neighbors in Warrick County by attending County Council and Commissioner meetings and sharing testimonies.

Dual Diagnosis:

- The committee learned about the Stone Family donation to create a mental health center in Evansville as a part of the IU School of Medicine. Because of Mayor Winnecke's update at the November CPA the committee sent him a letter asking him if he had more information about it. He says he doesn't and plans for a meeting with Mayor Winnecke are being discussed.
- The committee did a research visit with Scott Branam the CAO of Deaconess Crosspointe. He also doesn't know much about this new center or if they will treat patients diagnosed with Autism.
- We were given new information regarding Southwestern Behavioral Health looking to possibly apply for a grant that would give them the ability to expand services in the community.
- Further research meetings are being scheduled so we can continue to get information.

Housing Security:

- The new research committee has had a couple of research visits. Both were meetings regarding the rising cost of utility bills. The committee learned a lot of great information during those meetings. There is still more that needs to be learned in terms of Center Point Energy and utility bills.
- In February the committee will do research meetings with agencies that will hopefully give us more information on housing conditions and absentee landlord as well as continue to research the rising utility bills.
