## Hearts & Hands in Ministry

### Our Helper Priest

All Saints has been blessed by having several generous retired priests fill our need for our Mass presiders. We especially express our gratitude to Fr. Jim Sauer and Fr. Lowell Will for these past two months and to Fr. Steve whom we welcome back. They just don't fill a space for us, but we are given the gift of having inspiring homilies and vibrant liturgies. We thank Fr. Jim, Fr. Steve, Fr. Tom, Fr. Ray, and Fr. Lowell for all their gracious help.

## Questions of the Week

### First Reading:

In his initial encounter with the Lord, Moses learns the name of God, "I AM." What insight does this give us into the nature of the divine?

### Second Reading:

Paul believed that the past mistakes of the ancient Israelites in the desert served as an example of the dangers of too much self-confidence. How can one best avoid arrogance in faith?

### Gospel:

In the parable of the barren fig tree, Jesus taught the crowds of the need to repent in order to bear good fruit. For what do you need to repent in this season of Lent?

## Family Faith

## Justice...Our Mission

### Welcome to...Justice....Our Mission

All Saints Parish Vision Statement: We are called to be a faith filled family, who acts justly, loves tenderly, forgives freely and walks humbly with our God.

As we know living the Gospel teaches us the need for Charity but also the importance of working for Justice. We will be offering resources to help us grow in our understanding of Justice and opportunities to work for Justice.

### Catholic Relief Services– Rice Bowl OVERCOMING DISASTER

In Bangladesh, cyclones and other natural disasters are increasing—destroying farms, homes and more—making it difficult for people like Noornobi to earn a living and support their families. But Noornobi has learned new techniques to protect his land and income, enabling his niece and nephew to go to school. How can you care for creation to help the planet and our global family?

Visit [crsricebowl.org](http://crsricebowl.org) to learn more.

### PRAYER INTENTION

For Noornobi and his family—whom we meet through CRS Rice Bowl—and for all who experience severe weather, that they can protect their homes and livelihoods and become more resilient to a changing climate. We pray to the Lord ...

For our community, that we recognize how our actions impact the planet and make increasing efforts to care for God's creation. We pray to the Lord ...

Fr. Jim Sauer left us with the following thought for Lent a couple of weeks ago in his homily...

"Lord, is there one more thing I can do for you?"

## Justice Challenge

### 3rd Week in Lent

As we enter more deeply into Lent, we recall Jesus washing the feet of his apostles. This action contains two essential challenges for those who seek justice in the world: the challenge to serve and the challenge to be served. Jesus sets the example to serve in ways that may seem to be beneath us and calls Peter to accept service.

Many great leaders, even in the corporate world, spend some of their time doing the work of the lowest paid person in the organization as an important reminder that all work is valuable. This act is also a beautiful sign that the service of these all-too-often forgotten people is well-received by the leader. Step out of your comfort zone this week and do a task that may seem to be beneath you. Experience the dignity in your simple service.

## **Congregations Acting for Justice & Empowerment (CAJE)**

### **Campaign Issue Updates January 21, 2022**

#### **Safe Neighborhoods:**

- National Network for Safe Communities (NNSC) has completed and delivered to the Mayor and the EPD the problem analysis for the city of Evansville along with a list of recommendations to help decrease the number of murders and non-fatal shootings occurring. Twenty-one murders in 2021 saw one of the highest death tolls since the late 60s.
- The problem analysis (using 2020 data) showed that 56% of gun violence in the city was caused by .09% of the population.
- The city will create and maintain a Custom Notification Team comprised of law enforcement, community members, and social service providers who will directly communicate to this .09% of the population  
1) a community message against violence 2) a credible law enforcement message about consequences for continued violence 3) a credible and genuine offer of help to those who want it.

#### **Evansville Affordable Housing:**

- CAJE's steering committee for affordable housing has continued to work on getting clarification about how much the mayor is going to propose to go into Evansville's Affordable Housing Trust Fund over the next two years. We met with Katie Hines by zoom (who is with a national group that helps communities develop local affordable housing trust funds) on Jan. 6<sup>th</sup> and found out that the final rules for the use of American Rescue Plan monies were published that day. We forwarded the 4 page introduction to the rules to the mayor the same day and have asked when he is going to let us know. We are going to follow up with a request for a meeting.
- Brenda Meyer has been attending the local HOUSE meetings and participating in the process to identify what the current problems are for our area. Linda Henzman has been attending Evansville Trust Fund meetings to monitor their actions and the use of the money.

#### **Warrick County Affordable Housing:**

- CAJE has a unique opportunity with the Warrick County Affordable Housing Campaign. Due to the American Rescue Plan funding, this committee is researching how to create an Affordable Housing Trust Fund as well as the different kinds of Trust Funds.
- The committee had a research visit with Debbie Bennett-Stearnsman. She is an independent grant writer that the County Commissioners hired to help them with the ARP funding and rules.
- There will be a time that we ask the members of CAJE to come support our neighbors in Warrick County by attending County Council and Commissioner meetings and sharing testimonies.

#### **Dual Diagnosis:**

- The committee learned about the Stone Family donation to create a mental health center in Evansville as a part of the IU School of Medicine. Because of Mayor Winnecke's update at the November CPA the committee sent him a letter asking him if he had more information about it. He says he doesn't and plans for a meeting with Mayor Winnecke are being discussed.
- The committee did a research visit with Scott Branam the CAO of Deaconess Crosspointe. He also doesn't know much about this new center or if they will treat patients diagnosed with Autism.
- We were given new information regarding Southwestern Behavioral Health looking to possibly apply for a grant that would give them the ability to expand services in the community.
- Further research meetings are being scheduled so we can continue to get information.

#### **Housing Security:**

- The new research committee has had a couple of research visits. Both were meetings regarding the rising cost of utility bills. The committee learned a lot of great information during those meetings. There is still more that needs to be learned in terms of Center Point Energy and utility bills.
- In February the committee will do research meetings with agencies that will hopefully give us more information on housing conditions and absentee landlord as well as continue to research the rising utility bills.
